Week 5 Activities

ITD

Robotics
Hello and welcome to my Principal's Note for Week 5. Well done and thanks to all members of our school community for making the past week worthwhile. It was great to see all students and staff engaging in a range of meaningful activities which promote continued student achievement across all areas of the school.

School Mission Statement and Motto
Over the past 12 months, our school has undergone a number of changes in order to maintain, promote and enhance student engagement and outcomes. As part of our School Wide Positive Behaviour Support initiative and processes, we have identified that our current school mission statement and motto do not reflect the direction and values in place at our school. The proposed new School Mission Statement and Motto encompass the overall vision and current culture at Surat State School. It is anticipated that the new mission statement and motto will be adopted later in the year.

Proposed new School Mission Statement: The Surat State School way is to commit to our learning, strive for excellence and succeed in all we do.

Proposed new School Motto: Commit, Excel, Succeed.

P & C Meeting - 2015 P & C Executive
Well done with your first official meeting as the new leaders for 2015. It is always a pleasure to work with committed and supportive parents and citizens.

Fancy Dress Day
Aboriginal Colours
Red, Yellow & Black
Men of League Foundation Fundraiser

As the only charitable organisation to support the rugby league community in Australia, the Men of League foundation provided support and assistance not only to players, but men, women and children, referees, volunteers, administration and officials who are or have been involved in the game at any level.

This year we are rolling our Heritage Round & Sock Campaign into one big weekend held on NRL Round 19 over the weekend of 17-20 July, to increase awareness of our work and raise much needed funds for the Foundation.

Our Heritage Socks are now in stock and available for purchase via the order form attached, for just $11.95 a pair with $4 from every pair sold donated to the Men of League.

Please return form and money to the school office by 5th June, 2015.

Mr Peter Macbeth

</tr>
</tbody>
</table>

Principal’s Award

Cody Donaldson - for being committed to school and learning!

---

High School News

With the exciting addition of new woodworking tools, the High School students have become masters of fine craftsmanship in producing Basketball Stands using a mix of wood pine, acrylic and wire. The students have been working very hard to develop accurate measuring, clean sawing, excellent chiselling and precision drilling skills to make these projects. HOW AWESOME DO THEY LOOK? In addition to this project, the 7/8 class also designed and built a compost bay for the Kitchen Garden to use. Learning how to insert strong posts and using hammer drills, the students did an awesome job for such a big project. Congratulations to all the high school students for putting in great efforts towards these projects.
