

Investing for Success

**Under this agreement for 2022
Surat State School will receive**

\$59, 915*

This funding will be used to

- Ensure that every student will either:
 - Achieve age appropriate standards in Reading.
 - Have a Support Plan in place to address specific learning needs.
- Achieve 80% of students meeting the age appropriate Literacy Continuum Cluster Markers for Reading in Prep to Year 10.

Our initiatives include

- Embed Visible Learning with all teachers to establish clarity in regards to learning intentions, success criteria and learning walls for all subjects. (Sharratt and Fullen. Putting Faces on the Data)
- Embed purposeful use of data processes to adjust curriculum, resources and pedagogy. (Sharratt and Fullen. Putting Faces on the Data)
- Assign support staff and resources to enhance classroom and educational support for all students. (Sharratt and Fullen. Putting Faces on the Data)
- Enhance staff capacity to explicitly teach and consolidate students' literacy knowledge and skills through coaching and feedback.

Our school will improve student outcomes by

Providing staff and resources to support the diverse range of learning needs across the school. Support to include: Speech Language Pathologist, educational resources for classrooms.	\$39915
Coaching all teachers to establish clarity in regards to learning intentions and success criteria for all students. Provision of release time to work with the Leadership Team and Support Team to co-construct learning intentions and intervention for students.	\$20000
